

We have Moved!

For many years, The Cockatoo Community House was proudly located alongside the Cockatoo Kinder, a space that became a familiar and welcoming hub for so many locals.

The House itself was born from resilience, established after Ash Wednesday to provide a place where parents could rest, support one another, and help restore a sense of community during a time of great loss. That spirit of care, connection, and collective strength has remained at the heart of everything we do.

As we move into our new home at the Cockatoo Community Complex, we carry that history with us while opening the door to new opportunities. This new location places us at the center of the community, improving accessibility and creating greater visibility for the services, programs, and support we offer.

With more space and stronger connections to other community services, we are better positioned to grow, collaborate, and respond to the evolving needs of Cockatoo and surrounding areas.

While the location has changed, our purpose remains the same, to be a welcoming, inclusive place where community comes first and new chapters can be written together.

Volunteering

We offer various volunteering roles, from admin tasks and promotion to hosting coffee groups or tutoring in your area of expertise. Volunteering keeps you active and connected while opening doors to new opportunities. We're also seeking new Tutors! If you're interested in leading activities or programs, contact us. We have slots available on weekdays, weeknights, and weekends.

For Community Members experiencing food insecurity

Cockatoo Community House is proudly supporting our community with a free food pantry.

We are humbly accepting food or monetary donations to keep the pantry well stocked.

Experiencing food insecurity?
Call one of our friendly team members to access The Food Pantry.

Computers available for use by appointment only.
